

MinionSubject

```
classDiagram
    class MinionSubject
    class Minion
    Minion --|> MinionSubject
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'MinionSubject' with a gray background. Below it is a box labeled 'Minion' with a white background. A blue arrow points from the 'Minion' box up to the 'MinionSubject' box, indicating that 'Minion' inherits from 'MinionSubject'.
