

cpp\_library/src/headers  
/messaging/observer/PlayerSubject.h

```
graph TD; A["cpp_library/src/headers<br/>/messaging/observer/PlayerSubject.h"] --> B["GameObserver.h"]
```

The diagram consists of two rectangular boxes connected by a vertical blue arrow pointing downwards. The top box is shaded gray and contains the file path 'cpp\_library/src/headers /messaging/observer/PlayerSubject.h'. The bottom box is white with a black border and contains the filename 'GameObserver.h'.

GameObserver.h
